Stallholder Application Information

Welcome to the application process for the 2018 Ulverston Dickensian Christmas Festival : Saturday 23rd November – Sunday 24th November.

This document provides guidelines to assist with completing the application. It also outlines the criteria used when assessing applications and some general information relating to the event and operations.

The **Ulverston Dickensian Christmas Festival** is managed and operated by an independent local committee of unpaid volunteers on a non-profit making basis; it is funded by fund raising efforts throughout the year and income from stalls and mulled wine sales of the previous year.

Founded in 2000 the festival has grown in size and duration over the past 18 years and has established itself as one of the busiest and most popular Dickensian festivals in the country. Customers enjoy the festive atmosphere and the quality and variety of products on offer.

Ulverston is a beautiful historic market town with cobbled streets situated in a spectacular location on the edge of the Lake District. In 2016 around 30,000 people are estimated to have attended the festival.

Marketing and publicity

The festival is extensively advertised, publicised and marketed in order to ensure we receive consistently high visitor numbers. Free web listings and general stallholder information will be listed on our Facebook & Twitter pages.

The selection process

Please be aware that applications from stallholders will only be considered if they are accompanied by a detailed description and/or photographs of **ALL** items (via email or post) that are intended to be sold. Please note that this also includes repeat stallholders. Please ensure that the description of your product in the application form is clear and concise and does not exceed the 100 word limit. This will be used for marketing and web descriptions for all successful applicants.

Both new and repeat stallholder applicants will be considered on equal terms against the evaluation criteria.

The retail quality, uniqueness and mix of products on offer plays an important role in the overall appeal of the event and is something that the Dickensian Committee continues to work to improve.

The following criteria will be considered when looking at stallholder applications:-

Booking - Preference will be given to 2 day bookings over single day requests.

Locality – All other criteria being equal, stallholders from the local area are given priority over those coming from further afield.

Retail Mix – Ensuring that there is a wide range of product types across the whole market and we encourage new and innovative products for sale at the event.

Price range – We are looking for a range of variously priced products so that customers with all budgets can satisfy their Christmas shopping needs. (The application form asks to state minimum and maximum prices of your products).

Suitability at Ulverston Dickensian Festival

Ulverston has a variety of unique top quality retailers located within the town. Stallholders at the festival should be able to offer something 'different and unique' to compliment what is already on offer on the high street.

What your pitch or stall rental cost includes

Standard pitch sizes are 10ft x 10ft and may be purchased as larger pitches on a pro rata basis. If you are renting one of our stalls (see image below) then these will be erected for you at the start of the festival and dismantled by our team at the end. **You will be informed of your pitch/stall location approx 2 weeks prior to the event** via email with a map plotting the area.

Setting Up and Vehicle Access

Instructions for arrival and set up will depend on your pitch location, detailed instructions will be sent with maps approx 2 weeks prior to the festival.

Set up can begin at 07:00 for those bringing their own gazebo and **08:00 for those hiring a stall to ensure the safety of stallholders and the public and give our teams time to erect safely** and end at 09:00 by which time your vehicle must be taken off site. The festival site will be closed off to general traffic during setting up, the duration of the festival but stallholders must remain mindful that pedestrians will be in the vicinity at all times. No stallholder vehicles or traffic are permitted on site during the event operational hours so all loading and replenishing of stock must be carried out before the event opens (by 09:00 hours). Vehicles are only permitted back onto site to load after the official event close time once the all clear by the Event Management team has been given.

All shelving, extra tables, lighting, and anything else required to display merchandise to best effect is the stallholder's responsibility. **No temporary structures or display stands are permitted outside of the footprint of your pitch.**

Sale of alcohol

Please note that if you intend to sell alcohol, you will need to obtain your own premises license if your application is successful. Evidence of your premise license and personal license will be required before event opening. Failure to obtain your own premise license will mean you are unable to trade. Please note that alcohol is only permitted to be sold in sealed containers for consumption off-site. No open glasses or bottles are permitted to be sold. Samples are permitted to be given away, along with the correct premises license for the sale of alcohol, with permission from the organisers.

PLEASE NOTE

The Dickensian Committee run several mulled wine stalls at the festival to help fund the event and we therefore ask other stallholders and businesses not to jeopardise the festival by selling similar goods.

Completed application forms must be returned to the event organisers, Ulverston Dickensian Committee, by the stated deadline; **3rd July 2019**, together with all the requested paperwork. Please note that spaces cannot be secured or obtained from a third party under any circumstances.

All applications are considered by the event organisers. There is no guarantee that stallholders who have exhibited in previous years will be offered a place in 2019. The submission of an application form and all the desired paperwork does not constitute the offer of a place.

1.4 Offer Acceptance

Should your application be successful, you will be sent an acceptance email/letter with your **invoice that needs to be paid by the date specified to accept the offer**. If we do not hear from you by this date, your space will be offered to another stallholder.

If, following acceptance, you are unable to take up your space, a refund of 50% of your overall fee will be processed, provided the cancellation is before 10th October 2019. After this date, refunds will be at the discretion of the committee.
